Check list :

4 Photos The camera must be placed perpendicular to the legs, in a low position, and both legs must be centered on the photo. Please remember that all prosthetic components must be completely visible, including the socket. Please remove shoes, socks and any object that covers the prosthesis.

Patients do not need to remove the socks from the healthy leg.

VERY IMPORTANT

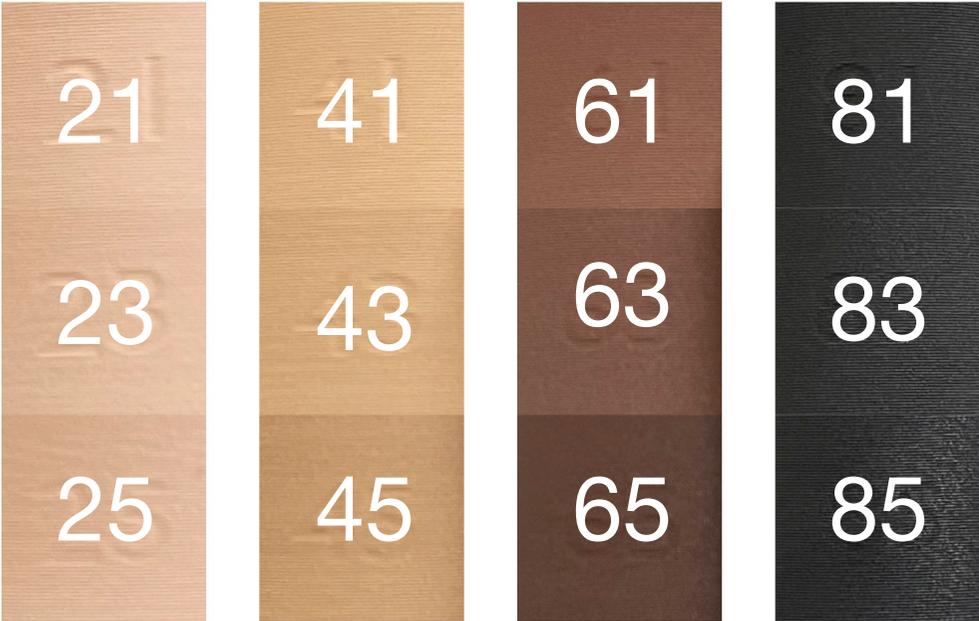

Please place your phone no higher than 20 cm above the floor !!!!!!!!!!!!!!!

- All our covers can be shortened from the bottom by several mm.
- In the factory state, the lower part of the cover is flat.
- In the case of the foot as shown in the picture, the lower part of the cover can be ground to the shape of the foot.

COLOURS - do not send.

Matte and semi-matte colours - tattoos unavailable

Shiny colours - tattoos available
